CAR BENCH INTERNATIONAL SPA

ONLY THE BEST CAN BE NUMBER ONE

GLUE KIT

The Glue-Kit is the ideal partner for the repair of all the small and medium damages which happen daily and which need to be repaired in any body-shop.

It is a reliable, fast and easy system which reduces the repair times to the minimum, considering that the preparation of the panels are reduced to the minimum.

The highest flexibility of the mobile foot of the bar makes the reparation possible in any area of the car and thank to the suction cups it can be used also on the vertical panels. And always just by 1 worker.

Repairing has never been so easy!
